

RUGBY WORLD CUP 2023

A Differentiated Product

LACK OF ACCOMMODATION IN MARSEILLE & OTHER COASTAL CITIES

There are only a handful of good hotels in these cities and whenever there is a major sporting event it is extremely difficult to find accommodation. With games back-to-back the shortage of accommodation is even greater.

BACKING FROM RUGBY WORLD CUP 2023

Different to just simply chartering a ship of our own back, we have the support of Rugby 2023, who are 100% committed to supporting this project. They will help us market it and push it through all the official channels which gives us huge credibility.

UNIQUE EXPERIENCE

We can create experiences for clients on the ship due to the flexibility we have working with NCL. The variety of options on the boat will give the clients a full rugby/carnival experience that has never been done before. With the Infinity Hub, live music events, rugby related activities, ex players hosting, conferences, hospitality and different levels of experiences available this will truly deliver an experience like no other.

TICKETS FOR KEY GAMES ALREADY SOLD OUT

Our packages are in high demand as we have an allocation of official tickets which others do not have – Rugby 2023 have informed us that there is lack of availability for most of the games that we are packaging with the cruise.

VALUE FOR MONEY

The price points we are charging are of exceptional value, with all packages including food, beverage and free WiFi. Our ship, EPIC will also deliver entertainment, meeting ex players, abundance of bars and restaurants, access to hospitality and the Infinity Hub and is only a 'stones throw away' from the city centre of Marseille.

ATTRACTIVE FOR CORPORATES

We can tailor make the experience on the ship with branding, marketing and hosting. This suits corporates and groups as we have the flexibility to create practically anything and keep clients entertained all day long.

NO OFFSITE HOSPITALITY OR RUGBY VILLAGES PRESENT IN MARSEILLE

With nearly 400 metres of space available on the top deck, we can create pre and post match hospitality along with the Infinity Hub which will include large screen tv's, live bands, international DJ's, light and firework shows, pop up bars and food stalls and loads of giveaways. Paris is the only city to have village hospitality.
